Rebecca,

The project officers are working on the task order. A lot of people are out on leave, so I haven't heard anything in the last week on this. I will check on it. The CIC is working on setting up a public meeting in September. Nothing else going on right now. I'll let you know when I have more information.

Hi Kenneth,

I wanted to check-in with you on Lane Plating. Any updates on the status of the RI task order, public meeting date, and any planned work?

Thanks and hope you're doing well,

Rebecca

I submitted the SOW and IGCE to get the contract set up. The Project officer who works with EA contracts is on leave till July 9 so I won't hear back from him before then. We are thinking about having a public meeting during the first half of September. The CIC is talking to city of Dallas people about it. I'll let you know when I know more.

Good morning Kenneth,
Please make sure to let me know when you have issued an RI task order for Lane Plating Works. Our management requires us to complete paperwork once this has been initiated for a new site.

Thanks,

Rebecca Storms, P.G.
